

# Forest Park Middle School

## 2017 – 2018

### Standardized Dress Policy

The 2017-2018 school year clothing expectations are listed below. This list is inclusive. If it is not on this list, it is not appropriate for Forest Park Magnet School. The dress code will be enforced, and students not in dress code will be required to contact a parent for a change of clothes. If a student is habitually out of dress code, they will be placed in I.S.S. Our goal is to provide a learning environment free of distractions.
