This packet includes a bulletin to post in a prominent place where teachers can see it, employee action forms, and transfer request forms for your building secretary to give to teachers requesting them. Please also electronically provide this information to your teachers.

These forms are for teachers only. Other employees (counselors, librarians, nurses, paraprofessionals, etc.) should apply when there are postings listed on the district website and submit their application through Fast Track in Skyward. Please assist us in making teachers aware of the transfer process and timeline by campus announcements, faculty, and department or team meetings.

The Voluntary Transfer Request forms must be received from **Monday, March 29, 2021** through the **Friday, April 9, 2021**. Principals will receive copies of transfer forms on a weekly basis. Principals are requested to grant interviews only to those teachers whose names appear on the transfer list. Only the receiving principal must complete the employee action form.

Human Resource staff will process transfers upon confirmation of vacancies and verification of appropriate certification. All parties (recommended teacher, current and receiving principals) will be notified by Friday, **April 23, 2021**.

LONGVIEW INDEPENDENT SCHOOL DISTRICT

TEACHER VOLUNTARY REQUEST FOR TRANSFER DK (R)

RATIONALE

The fundamental reason for transfer of a teacher from one school to another shall be for improvement of District's instructional program. Term contract teachers shall be considered eligible for transfer only after one year or more in a particular school. Teachers who receive a "Below Expectations" or "Unsatisfactory" rating on any domain of the most recent teacher evaluation are not eligible for voluntary transfer and can only be transferred administratively.

To request a transfer, a teacher must complete the District's Request for Transfer Form and submit it to his or her immediate supervisor.

A maximum of 20 percent of the present teaching staff of a campus shall be allowed to transfer

APPLYING FOR TRANSFER

The procedure for requesting a transfer is as follows:

1. An employee may request a transfer by using the District's Request for Transfer form available from building supervisors or the Human Resources Department by **March 29, 2021**.
2. The current campus principal/supervisor must acknowledge the employee's request for transfer before it shall be considered by any campus. The principal's signature is for notification purposes only, not for permission to transfer.
3. The Request for Transfer form shall be submitted to the Director of Employee Relations.
4. The Human Resources Department shall then submit a copy of the Request for Transfer form to the various campus principal(s)/supervisor(s) where the employee has requested to be transferred.
5. Following a personal interview, the campus principal(s)/supervisor(s) shall then approve or disapprove the employee's request for transfer by completing the Transfer Request form and returning it to the Director of Employee Relations. The campus principal shall ensure transferring employees hold the appropriate certification for the new assignment, as applicable.
6. The Human Resources Department shall then notify the employee, the employee's current principal or supervisor, and the principal at the new assignment that the transfer request has been approved.
7. All requests must be processed and approved by **April 23, 2021**. The Director of Employee Relations shall notify the employee requesting a transfer as to disposition of application for transfer by this date.
