The meeting was called to order by Dr. Jody Clements, SHAC co-chair.

Minutes: The minutes of the September 29, 2015 meeting were read and approved by the committee.

Dept. of State Health Services: Suzanne Fisher of the Department of State Health Services provided an overview of all of the programs her agency can provide to Longview ISD campuses. These include Bullying Prevention, Suicide Prevention, Ask Training for Educators, Injury Prevention, SIDS, Shaken Baby Syndrome, Sex Trafficking Education, Distracted Driving, Texting and Driving, Shattered Dreams, Child Safety, Bicycle Safety, Water Safety, ATV Safety, Obesity Awareness and Seat Belt Safety. Mr. Joshua Poole, also from TDSHS, provided information on Medical Case Management Services, CHIPS, Medical Transportation as well as other medical assistance programs.

Child Nutrition: Phyllis Dozier, Director of Child Nutrition, presented a report on Child Nutrition services and the TDA audit that their department is going through. She also discussed the new chef's role and how her team is working to make food better.

Physical Education: Natalie Ybarra gave the physical education report and discussed the results of the PE department meeting. She informed the PE teachers of the new scope and sequence, gaps in learning, fitness gram as well as new ideas for classroom management.

Health Services: Kimberly Dans, R.N., Lead Nurse, gave the Nurse report. She discussed Buckner's Dads program and the role of the community in schools' programs.

Health Fair Update: Kimberly Dans presented information about the upcoming Health Fair at Longview High School which is scheduled for March 17th. She stated that they are currently planning to get as many vendors as possible. It was suggested that if we were to get campuses involved to perform during the event, then more people would potentially attend.

Telemedicine Program: A review of the Telemedicine Program was given by Dr. Clements and further discussion with the board was suggested.

LISD Wellness Plan update: The new guidelines for the wellness plan were presented. It was determined that department heads would address the new guidelines and present their goals to be approved at the next SHAC meeting.

WellSAT: A wellness evaluation tool, WellSAT: 2.0, was approved as an informal tool for the committee to utilize as we develop goals for the wellness plan.

School Violent Prevention Curricula: A handout was given to all members highlighting the current Violence Prevention and Intervention programs provided to our students.

Meeting adjourned: The meeting was adjourned at 4:30 P.M.
