Statement regarding the death of Jamaal Jones

All of us at Longview ISD are touched by the tragic loss of Jamaal Jones, a 4th grade student at J.L. Everhart, and we pray that his family can find peace. Our thoughts and prayers are also with Jamaal's extended family – the students and staff at J.L. Everhart.

Counselors were dispatched to the campus this morning and we respectfully ask that our students and staff be allowed to grieve amongst themselves – without on-campus press coverage. We appreciate your cooperation.
