Bicycle giveaways for Bramlette students set for Friday

Perfect attendance during the first half of the 2011-12 school year will pay some dividends on Friday for 30 dedicated Bramlette Elementary School students. Representatives from Academy Sports & Outdoors will be on hand to give the students brand new bicycles and helmets.

This is always a fun and heartwarming event – excellent for holiday season coverage.

Principal Vernessa Gentry, as well as Academy representatives and some lucky students will be available for interviews.

Event details:

Date: December 16, 2011

Time: 9 a.m.
