

Longview Independent School District

2020-2021

Attendance Zone Book

NOTE

Home Campus Designations (Elementary Feeder Pattern)

The home campus for middle school students will be determined based on the elementary school students attended.

The pattern is as follows for middle school determination:

- Ware and J. L. Everhart students home middle school campus is Forest Park
- South Ward and Ned students home middle school campus is Foster
- Bramlette and Johnston-McQueen home middle school is Judson.

Students who were approved as an intra-district transfer last year on a particular campus may remain on the same campus for the 2020 – 2021 school year.

All Head Start, Prekindergarten, and Kindergarten students will attend the East Texas Montessori Prep Academy.
