

Public Statement on Title VII and Title IX

Monday, Dec. 13, 2021

At Longview ISD, we remain committed to the policies, procedures and protections afforded to our students and employees who identify as transgender.

We stand by our statement of equal education and employment opportunity, which explicitly includes protection based on gender identity and expression.

Importantly, both Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 ban discrimination against transgender persons.

These laws are reflected in board policies DIA and FFH, reinforcing the District's desire and expectation for an educational environment that fosters safety and respect.
