Request for Proposals (RFP) *CONTRACTED EDUCATIONAL SERVICES PROPOSAL* *#2023-2024 CS - RFP*

Longview Independent School District ("LISD" or "District") is soliciting competitive proposals (hereafter called "proposal") for **the development and implementation of a Marketing and Recruitment Plan for LISD and the Synergy Project**. Proposals will be received at the following address no later than **2:00pm, January 26**, for consideration. Submission should include an original and one (1) copy with all necessary backup requested.

Submission Location: Longview Independent School District
Attn: D. Scott Fisher, Magnet Director
1301 East Young Street
Longview, TX 75602

Telephone, electronic or fax proposals are not considered legal documents; therefore, original signed documentation must be submitted for consideration.

Scope of Work:

Longview Independent School District (LISD) has received a five-year Magnet Schools Assistance Program (MSAP) grant from the U.S. Department of Education (ED) to create new magnet programs that would result in new and innovative instructional practices while increasing the knowledge of students in multiple content areas.

The MSAP grant project entitled The WIN Project (What I Need), was awarded to support the transformation of three LISD campuses, Bailey Elementary School, Forest Park Magnet School, and Longview Early Graduation High School

As a part of the grant, the LISD will establish a marketing and recruitment plan in order to aid the district in educating the community, parents, and students about the WIN Project and the benefits of the program for students. The marketing and recruitment campaign will provide all stakeholders with information concerning the district, especially concerning the WIN Project campuses, in an effort to recruit and retain students from within Longview ISD and surrounding areas.

The successful proposal will provide LISD and the WIN Project with a comprehensive marketing and recruitment plan beginning in March 1, 2024 through September 30, 2028. Proposals should provide the district with the comprehensive plan as well as the actions to be taken each year of the proposal.

The Marketing and Recruitment Plan must address the following:

- Education and information about the LISD Schools of Choice and the LISD WIN Project
- Promote a positive image of LISD and its educational system, and
- The recruitment and retention of students and faculty for LISD Schools of Choice and the WIN Project

Proposal Criteria:

The submitted proposal must address the following criteria:

Impact:

Describe how the Marketing and Recruitment Plan will be developed along with a timeline for the development of the plan. How will the plan impact the marketing and recruitment efforts of the district?

The proposal should describe how the goals and objectives of LISD, concerning marketing and recruitment, will be carried out and the types and frequency of different mediums that will be used to accomplish these goals.

Feasibility of Use:

Describe how you propose to market and recruit for the district. Include a timeline and model that will incorporate the comprehensive marketing and recruitment program along with a breakdown of the action steps that will be taken each year of the proposal. Describe the process that will be used to develop the plan and what assistance the district will need to provide.

Capacity to Deliver:

Provide your experience in developing marketing and recruitment plans, especially in educational settings. List previous clients, especially educational institutions, that have used your services previously.

Provide a list of those who will work on the Marketing and Recruitment Plan along with their professional qualifications.

Include a work plan that can realistically be executed on time and within budget. This plan will include yearly and comprehensive costs of the vendor's program to meet the district's objectives, including all expenses (i.e., travel, management fees, supplies and materials, etc.).

Under the guidelines of Texas School Law, any item(s) or services purchased with regards to a total aggregate in any given category over \$50,000 will be competitively bid. LISD is seeking proposals for marketing services for the project campuses included in the district's newest MSAP grant. LISD is requesting all proposals be awarded as NON-EXCLUSIVE contracts, by which multiple vendors may be designated as suppliers for the services covered under the terms of the contract for the duration of said contract.

Under the guidance of the Education Department of General Administrative Regulations (EDGAR) and 44.031(a)(2), LISD is requesting a one-year term contract award with an option to renew for four (4) additional one-year options upon additional funding and mutual agreement between the parties. This is a NON-EXCLUSIVE AWARD, whereby there are no guarantees until Federal Funding has been approved.

The Marketing and Recruitment Plan will be used on an as needed basis throughout the District to provide services to students and staff.

All contractors, subcontractors, and their employees, who will be in direct contact with students, must submit to the District proof of a satisfactory criminal record history of all individuals working on District property through background checks conducted as required by Senate Bill 9. The criminal record history must be obtained by the successful vendor before any work is performed. The information regarding the requirements for conducting a criminal records check is posted on the Texas Department of Public Safety's website, www.txdps.state.tx.us by clicking open Crime Records and reading School District Guide to Senate Bill 9. Respondent agrees by signing and executing the solicitation to provide assurance that all employees, subcontractors, and volunteers of the provider who have contact with students have passed a criminal history background check current within the last year as per defined in Senate Bill 9.

Please Note: Longview ISD reserves the right to reject any and all proposals.
